

VTM Product Package box

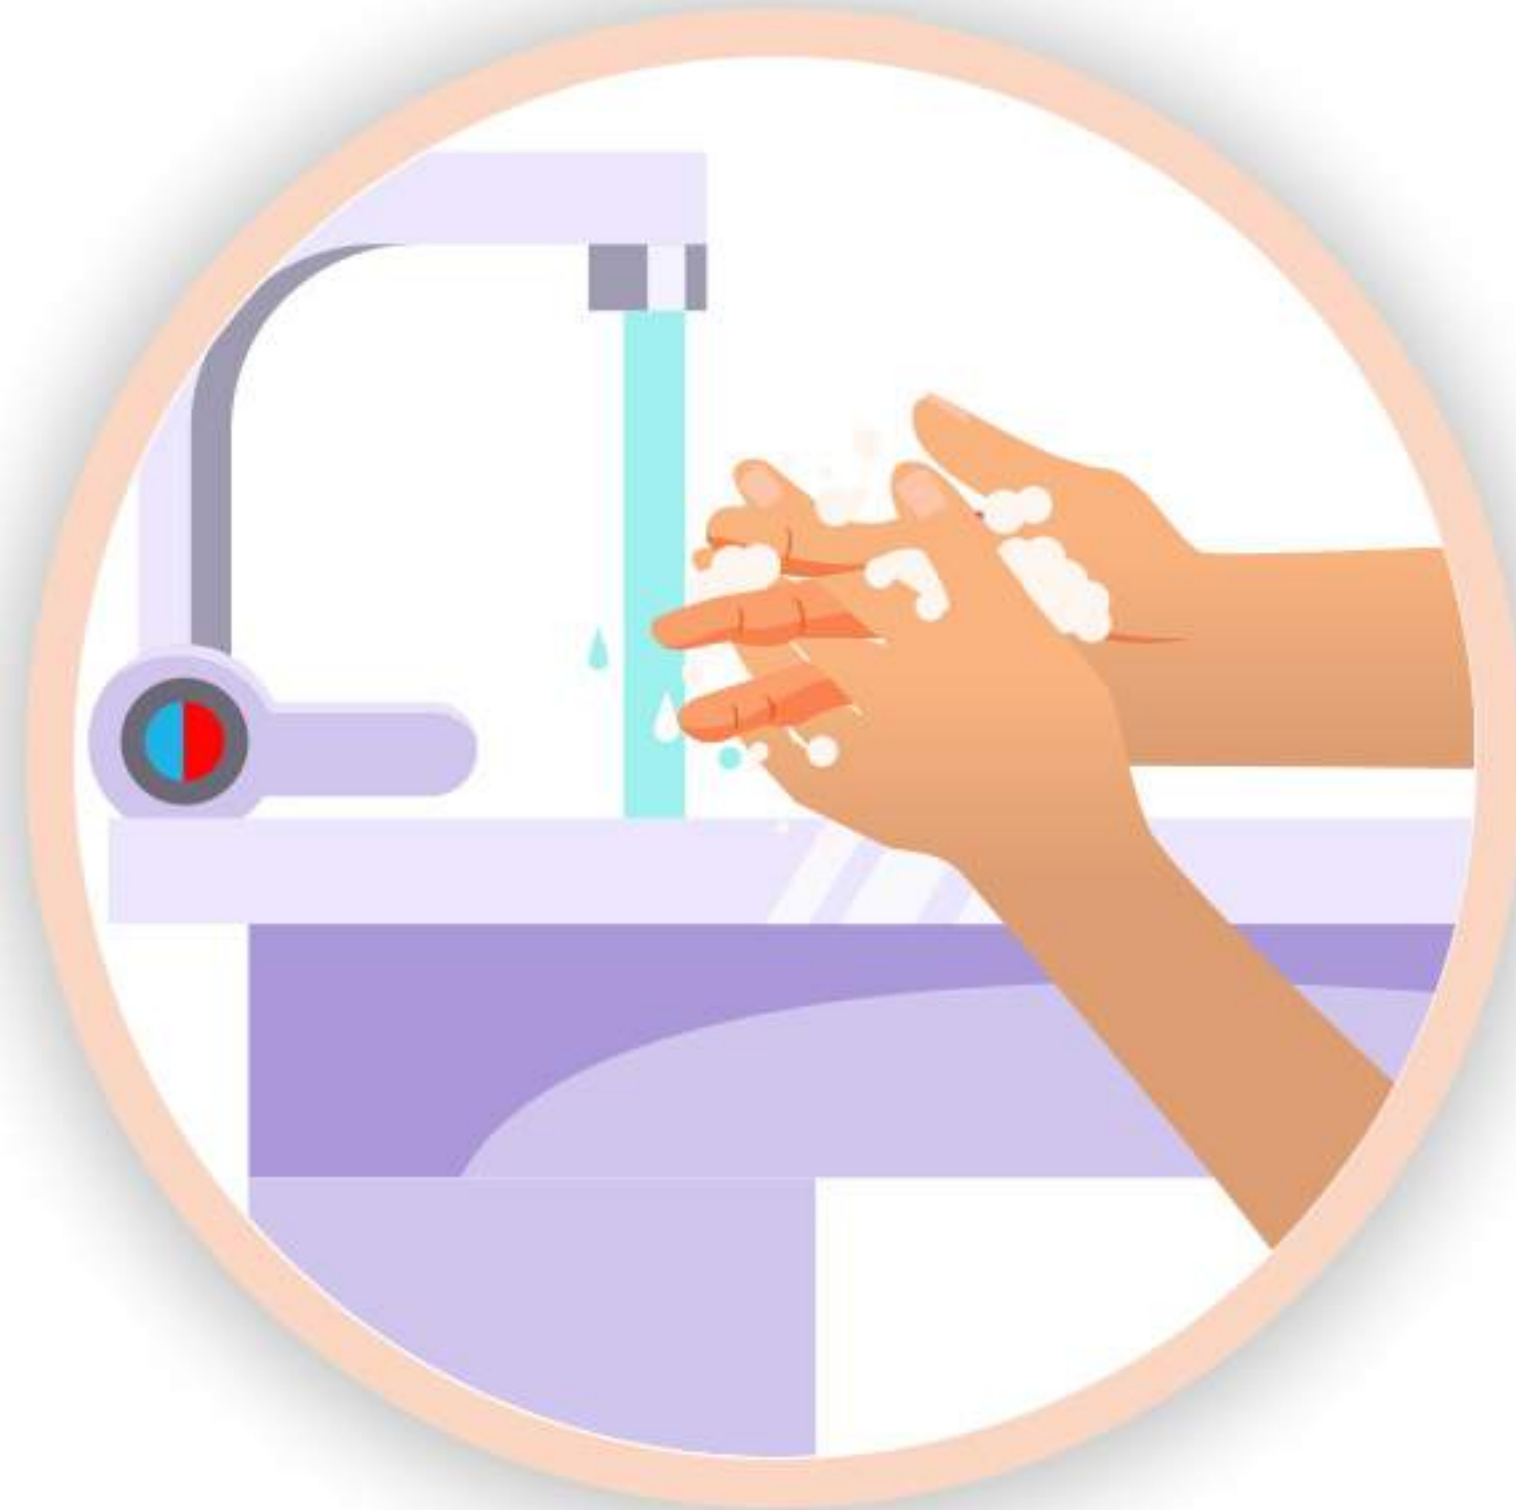

**Box contains 2 Individually wrapped
Vaginal Translucent Membrane**

**Each aluminium foil wrap contains
Vaginal Translucent Membrane with
blood-like red natural colour dye (Artificial hymen)**

Step 01

Start between 10 minutes to 15 minutes before the sexual intercourse. Wash your hands with Soap and dry them on a clean cloth

Step 02

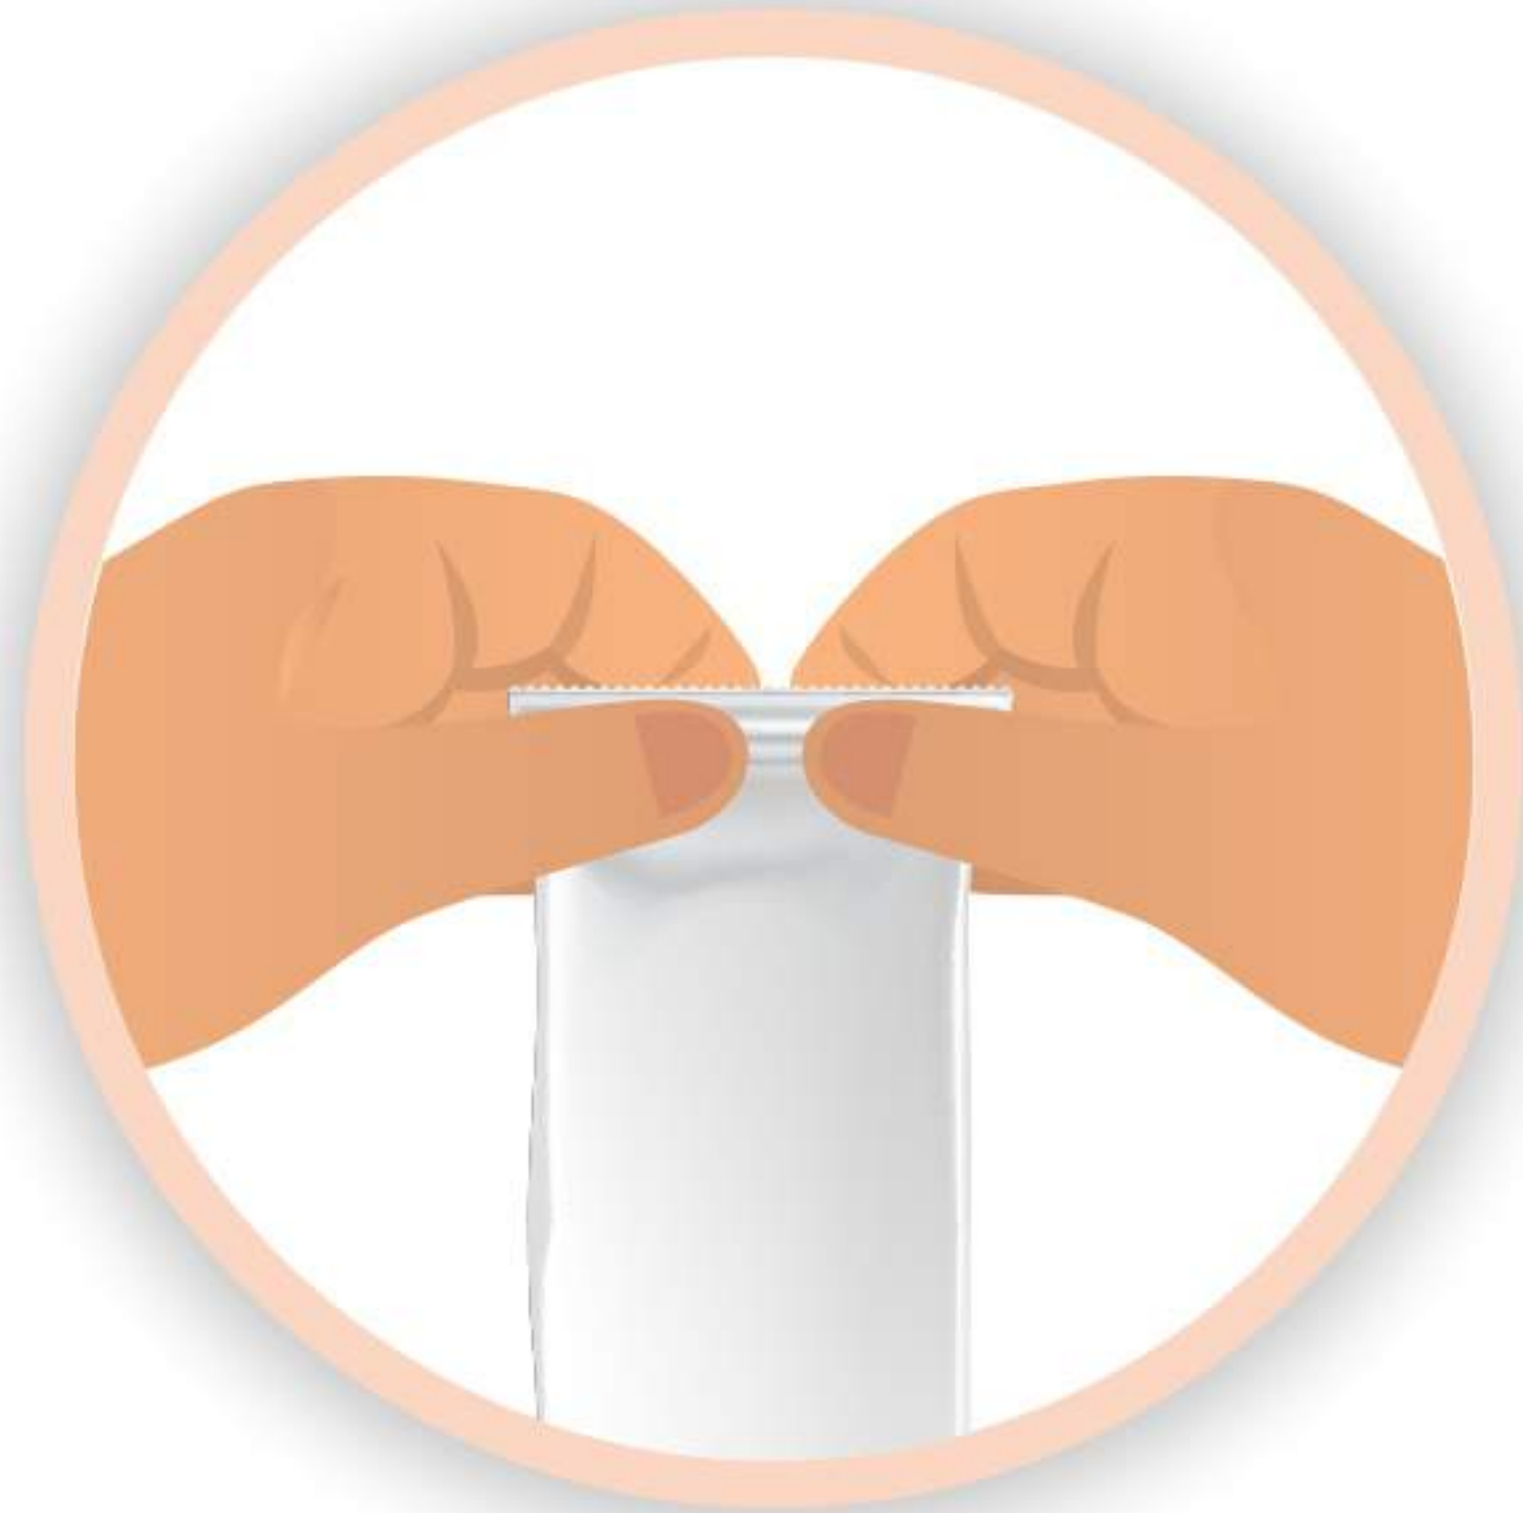

Take out a single aluminium foil out of the Vaginal Translucent Membrane Box # VTM

Step 03

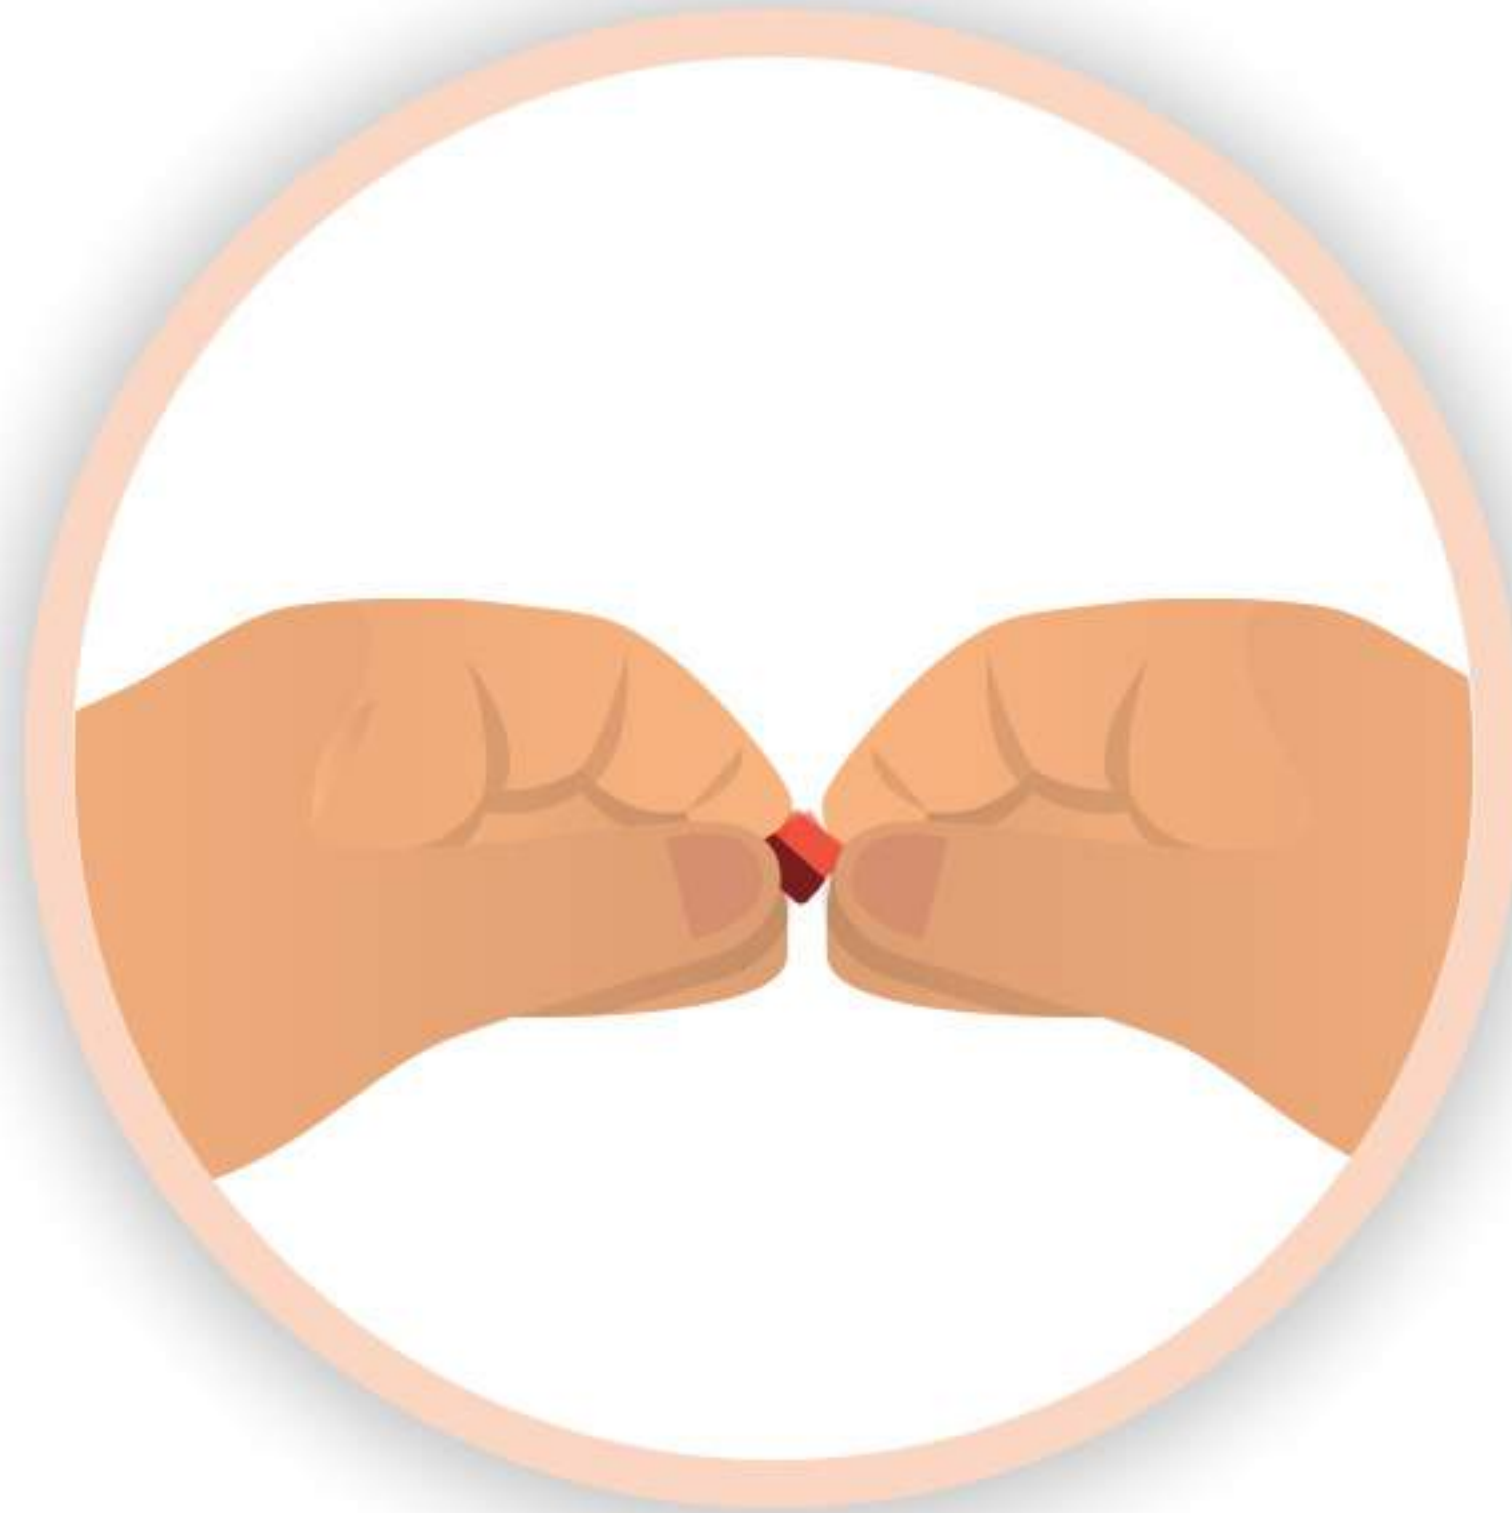

Lie down on your back with your knees bent and legs slightly apart

Step 04

**Tear the aluminium foil,
take out the Vaginal Translucent Membrane**

Step 05

Unfold the Translucent Membrane until it is fully open to approx. 2cm X 2cm size

Step 06

**Place the unfolded Translucent Membrane
on your index finger**

Step 07

Use your other hand to hold open the fold of skin around your vagina

Step 08

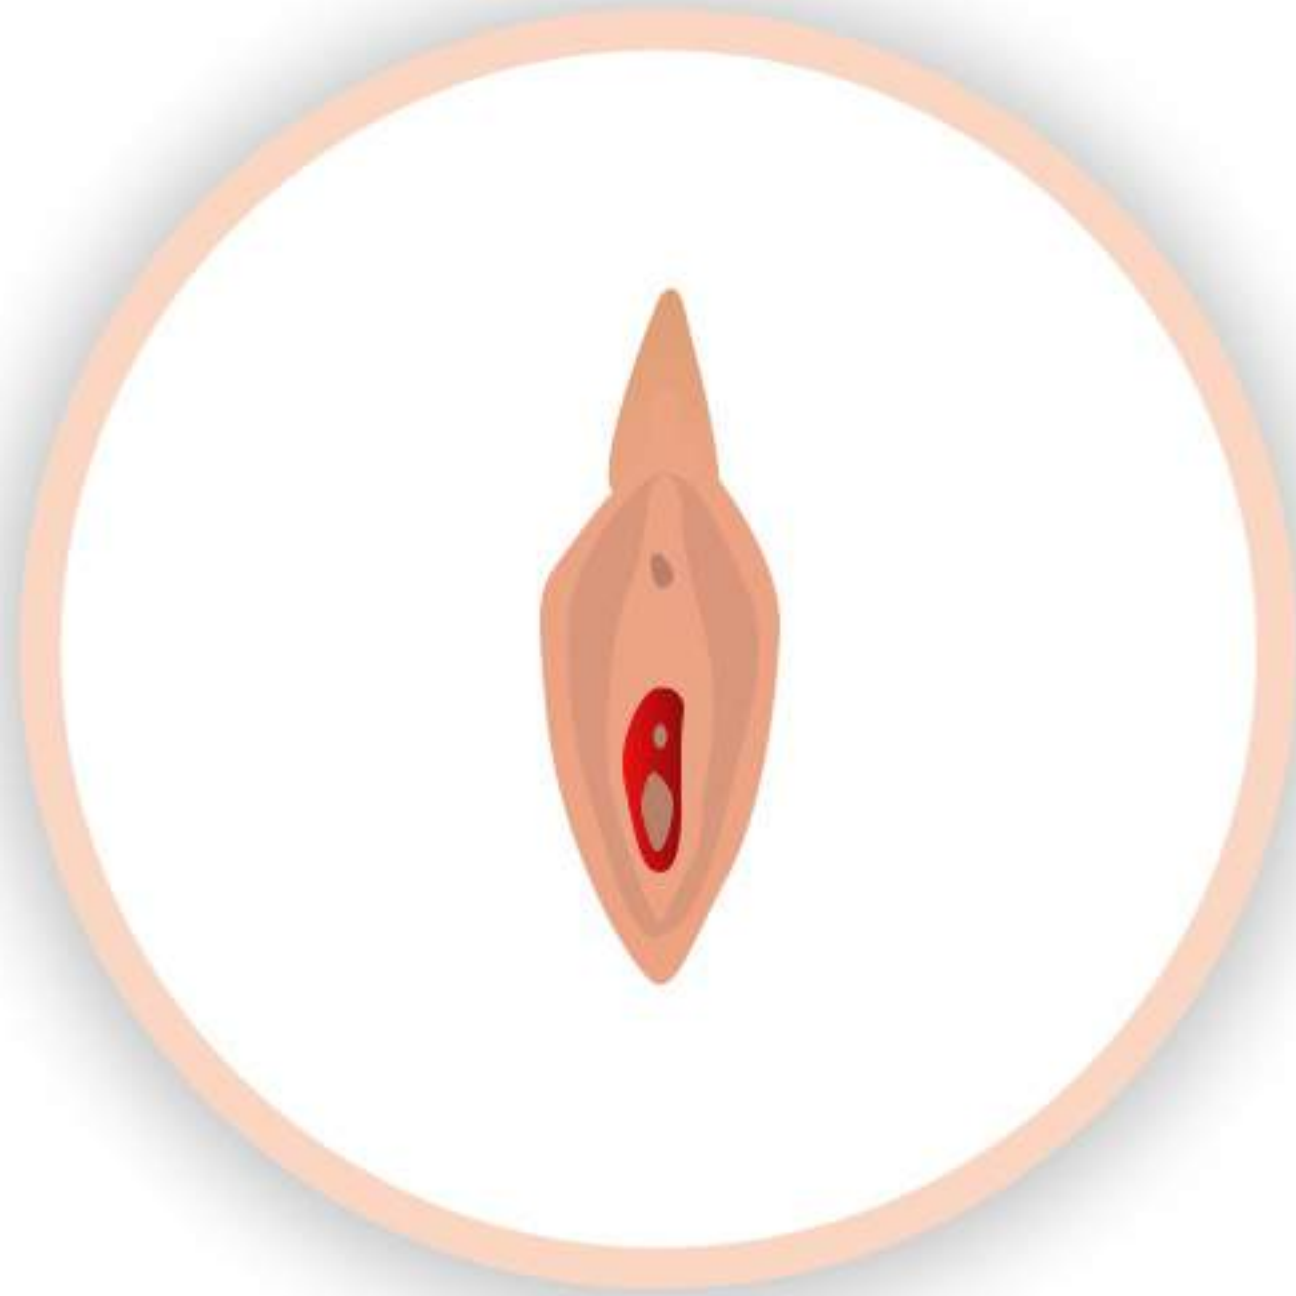

Insert the Vaginal Translucent Membrane as deep as possible inside your vagina using your index finger vagina

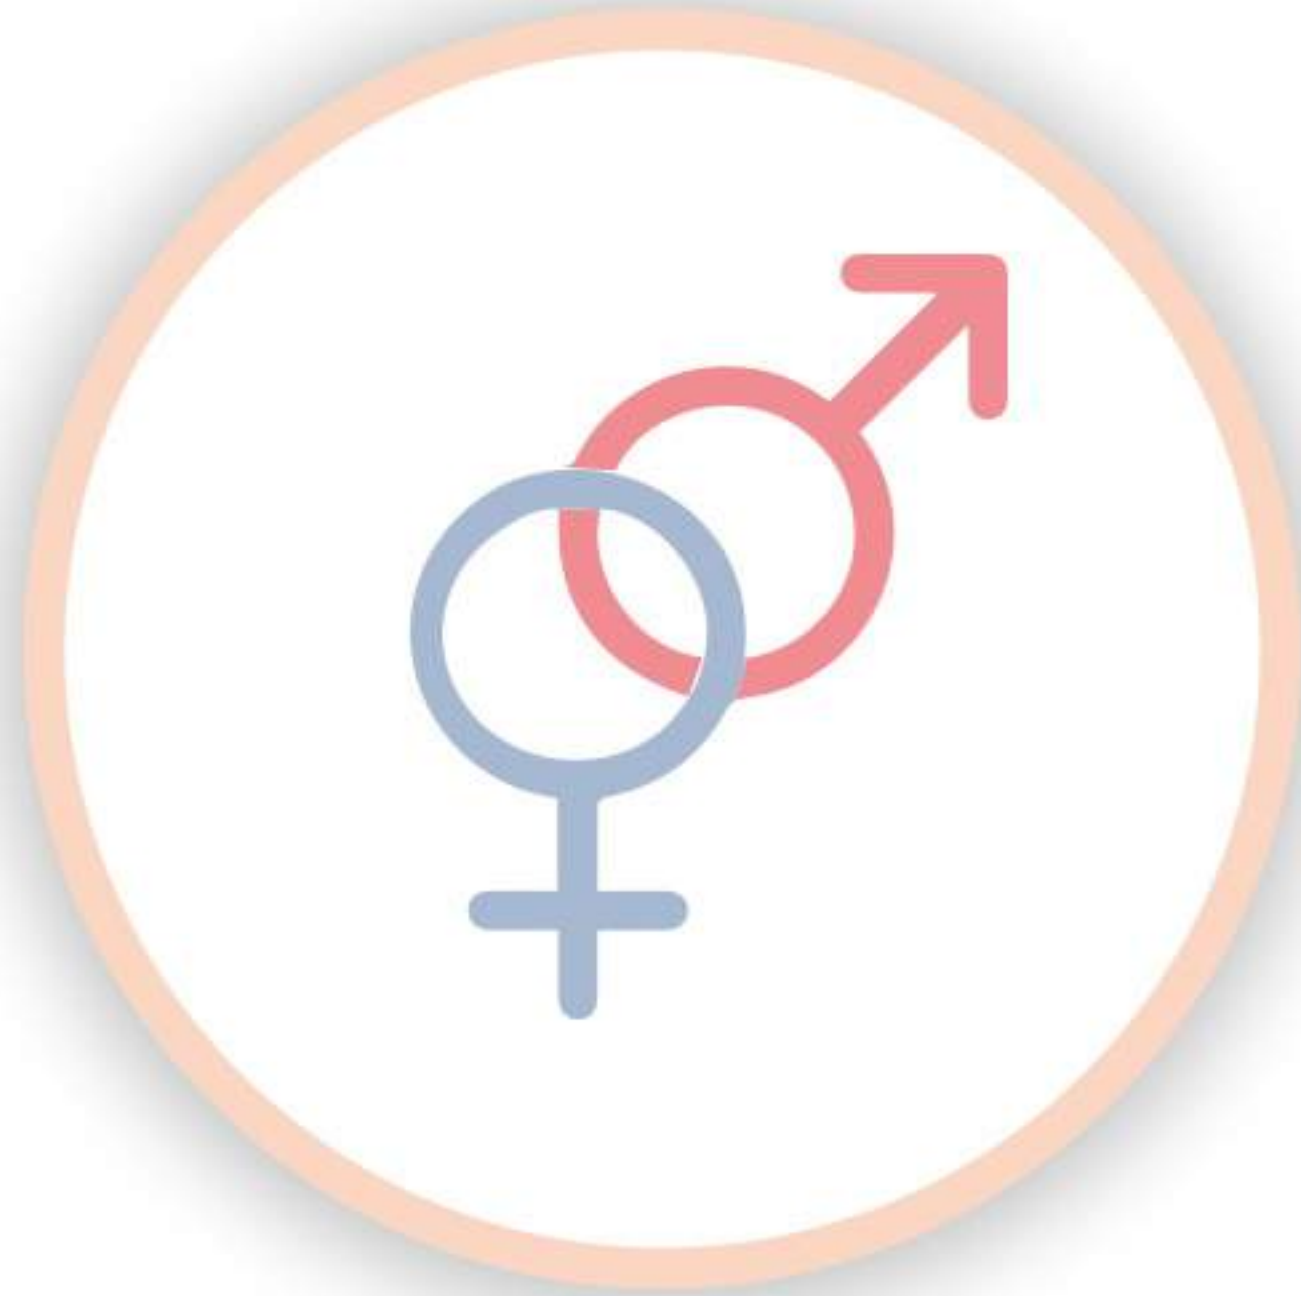

Step 09

Wash your hands with soap to get rid of traces of natural red colour dye on your fingers

After inserting the Vaginal Translucent Membrane inside the vagina, it will stick inside, slowly decompose and mix with the vaginal fluids

During the sexual intercourse when penetrated by the penis

The Vaginal Translucent Membrane will wash out together with traces of blood like colour on the penis and bedsheets
